

PEREGRINE SEARCH SOLUTIONS

Built on the principles of Trust, Integrity, and Accountability, Peregrine Search Solutions is a relationship-based staffing firm that prides itself on our professional business acumen. Our experienced team, with over 100 years of combined corporate/business experience, knows the ins and outs of various business sectors, having personally trained, hired, and led teams within Fortune 500, public, private equity, and startup companies.

OUR SERVICES:

We offer nationwide talent acquisition services including Permanent Placements, Retained Search, Contract, and Contract to Hire. We take a proactive approach to the search process, tailoring each search to your specific needs. Our expertise spans multiple industries and disciplines:

Accounting & Finance	Human Resources	Marketing
Real Estate & Asset Management	Retail & CPG Manufacturing & Operations	Sales & e-Commerce
Supermarket Industry--Retail & Wholesale	Supply Chain/Logistics IT	IT

OUR PHILOSOPHY:

The recruiting industry is evolving, and we're keeping pace. We're leveraging new and existing technologies but remain committed to the Human Factor. We believe that when your ideal candidate answers the phone, they should hear a polished, experienced, and informed search executive on the line.

OUR PROCESS:

We strive to understand your unique needs and company culture, becoming an extension of your team. Our candidates go through a thorough internal recruiting process, ensuring that we have a complete understanding of their skills, accomplishments, and career goals before we introduce them to you. We pride ourselves on delivering top-notch professionals of the highest caliber. We look forward to learning about your hiring challenges and exploring how we can help you build a successful team.

"At Peregrine Search Solutions, we embody the Peregrine falcon's essence—precision and swiftness in our pursuit of excellence." *Jeanna Grabuskie*
